## DESCRIPTION

Unisex, available from S to 3XL, this quarter-zip sweatshirt is made from a cotton-polyester blend (80/20) with a classic cut and a tubular body for a clean, unfussy silhouette. It features 1x1 ribbing at the collar, cuffs and hem for improved elasticity and recovery, and a reverse coil zipper finished to match the fabric. The varsity-style collar gives a neat, versatile look and the material is easy to care for in normal laundering for mixed cotton garments.

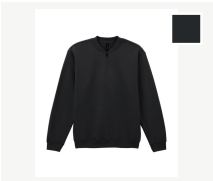

The garment includes a detachable label for straightforward re-labeling and is tailored for group use by companies, clubs and schools. Ribbed cuffs and hem help maintain the fit, while the quarter-zip allows quick ventilation without unzipping the whole top — practical for layered work or sport environments.

This personalised quarter-zip can be customised from one piece on a wide range of textile items. Available decoration techniques include embroidery, flex, DTF printing, screen print transfers and MSO transfers. Suitable for businesses, associations, sports teams, youth movements and private customers.
