DESCRIPTION

This men's V-neck long-sleeve T-shirt combines a contemporary slim-long cut with neat finishes for a modern fit. Made from a cotton blend with stretch (96% cotton, 4% elastane), it provides a soft hand and close comfort. Side seams and a removable label add practicality, while double-needle hems on sleeves and body improve garment longevity. It comes in several colours (e.g. Black) and sizes S to XXL.

Practical in wear, the fitted silhouette works well under a jacket or worn alone; the long sleeves and contemporary length give a smart, streamlined look suitable for both professional and casual contexts. Robust finishes make laundering straightforward.

These personalised T-shirts can be customised from one piece on a wide range of textile using DTF printing, screen printing transfer (Transfert Sérigraphique), MSO transfer or flex (flocking). Ideal for companies, sports clubs, associations, events and private customers — our studio can also vectorise or retouch your logo before production.
