DESCRIPTION

The SF202 Unisex Striped T-shirt is a lightweight crew-neck in single jersey designed for everyday comfort. It features a unisex cut with short sleeves, a neck tape for added comfort and a ribbed collar with elastane to maintain shape. Side seams and double-needle finishes at the sleeve hems and garment hem provide a clean, durable finish. Available in several colours, e.g. White and Oxford Navy, and in sizes XXS to XXL.

The tee includes a removable label for a neat branded finish. It has a regular drape and stays shaped thanks to the ribbed collar, making it suitable for professional, club or event use; care is the same as for standard cotton garments.

This personalised T-shirt can be personalised from one piece and accepts these techniques: screen printing transfer, MSO transfer, DTF printing and flex. Recommended for companies, sports clubs, associations, schools, events and private customers. Our design studio can retouch or vectorise your logo before production.
