DESCRIPTION

Men's flared tank top in 60% cotton / 40% polyester, designed for a relaxed, breathable fit. It features a ribbed crew neck and raw armhole edges for a contemporary, casual appearance. The lightweight fabric and slightly flared cut provide comfort and freedom of movement; a detachable label simplifies rebranding. Available in several colours, for example Black and White, and offered in sizes S to XXL.

The style is sleeveless with a straight hem and a longer length that sits above the hips, making it suitable for everyday wear or athletic layering. The clean finish at the arm openings creates a modern silhouette, while the cotton/polyester blend ensures easy care and reliable wear.

This personalised tank top can be ordered from one piece and is compatible with: screen transfer, MSO transfer, DTF printing and flex. Recommended for companies, sports clubs, associations, events and individuals seeking a simple, customizable garment.
