Country of origin	China
Carton	100 pieces

DESCRIPTION

The Safejawz Intro mouthguard is a sports accessory for adults and juniors, designed with an EVA material that provides shock absorption and an ergonomic, auto-adjusting fit. It allows multiple re-moulding attempts to refine comfort and jaw protection during contact sports, and is easy to clean between uses.

Equipped with Fluid Fit™ for superior impact dissipation and Remodel Tech™ for repeated adjustments, it comes in two sizes (Adult, Junior) and eight colour options (including Black, Blue, Clear). Its compact shape makes storage and maintenance straightforward for clubs and schools.

This item can be personalised from a single piece. We can apply marking using tampography, screen printing and digital printing on objects, and our studio can retouch or vectorise your logo. Suitable for companies, sports clubs, associations, schools and private customers seeking a personalised mouthguard. Free quote within 24 hours on weekdays.
