DESCRIPTION

This women's retro short offers a comfortable, casual fit in a short, tapered cut. Made from 100% cotton jersey (supplier information indicates 220 g/m²), it features an elasticated waistband with a drawcord and neat bias trims on the hem and side panels. Available in multiple colours and in sizes XS to XXL.

The model displays contrasting trim details along the sides and hem that reinforce the vintage look and improve the garment's structure. The drawcord allows waist adjustment while the elastic ensures secure, comfortable wear. Care is straightforward, comparable to standard cotton jersey.

These personalised shorts can be customised from one piece and suit companies, sports clubs, associations and private customers. Possible decoration techniques: embroidery, DTF printing, flex, screen printing, screen-printed transfers, embroidered patches and pad printing for compatible items. Our graphic studio can retouch or vectorise your logo prior to production.
