DESCRIPTION

Asymmetrical women's top with a cropped fit and a single exposed shoulder: this V-neck features a double front layer and a silicone grip tape to help keep the garment in place. Made from cotton and elastane for comfort and stretch, it is available in sizes XS to XXL and in 1 colour (Black). Follow the manufacturer's care instructions for delicate washing.

The item shows neat finishes with double-needle stitching on the hem, neck and armhole, and the tag-free design makes it easier to position a brand or print. The cropped cut suits studio wear, sports activities or casual summer looks.

This personalised V-neck can be customised from a single piece using screen print transfer (Transfert Sérigraphique), MSO transfer, DTF printing or flex (heat transfer vinyl). Suitable for companies, clubs, associations, events and private customers. Our graphic studio can retouch or vectorise your logo. Free quote within 24 hours on weekdays; standard production, collection at our Evere workshop or delivery in Belgium, France and Luxembourg.
