DESCRIPTION

Children's cropped top with a close-fitting cut designed for movement and comfort. Made from cotton and elastane (93% cotton, 7% elastane), it provides stretch and a soft handfeel, featuring a swimmer-style neckline that keeps the top in place. Available in four sizes from 5/6 to 11/12 years, it is lightweight and easy to care for; the removable label increases comfort for younger wearers.

The top is finished with topstitching at the hem, neckline and armholes to improve durability during regular use. Its cropped length suits sports activities or layered looks and pairs well with leggings or shorts for school and training sessions.

This personalised TShirt can be customised from one piece. Available decoration techniques: screen printing transfers, MSO transfers, DTF printing and flex (heat transfer). Recommended for sports clubs, schools, associations and individuals who need a personalised children's top for events, training or gifts.
