DESCRIPTION

Unisex towel in 100% cotton, approximately 135 x 195 cm, woven double-sided to create a subtle textured effect. The washed finish, fringed ends and decorative stripes — including contrasting bands at the edges — give the piece a natural, handcrafted look. Its generous one-size dimensions make it suitable for the beach, spa or everyday home use and it can be laundered following normal cotton care.

The towel features visible weave structure and tidy fringes that emphasise its artisanal feel. The stripes provide a restrained contrast without overpowering the design, and the rectangular cut maintains its shape after washing. Dimensions may vary slightly depending on the complexity of the weaving.

This personalised towel is ideal for embroidery as a discreet, long-lasting mark. Personalisation is available from one piece on a wide range of textiles; our graphic studio can retouch or vectorise your logo. Suited to companies, sports clubs, associations, events and private customers seeking a practical, elegant gift.
