Carton	20 pieces

DESCRIPTION

Men's multi-pocket trousers in a straight cut, designed for work and everyday wear. Made from cotton for comfort and durability, they fasten with a zip and button and include belt loops. Available in several colours such as Beige, Black and Khaki, in sizes 38 FR to 54 FR. The fabric has undergone a deliberate worn treatment, which can cause slight colour variations between pieces.

The design features numerous practical pockets: standard side pockets, zipped welt pockets, large side cargo pockets with flap and hook-and-loop fastening, and rear patch pockets with hook-and-loop closure. The 100% cotton build and functional details make these trousers suited to demanding work environments; follow care instructions to preserve the aged finish.

These personalised trousers can be customised from one piece and accept embroidery, DTF printing, flex, screen printing or transfers depending on the desired finish. Ideal for companies, sports clubs, associations, events and private customers seeking a practical, customisable work trouser.

KEY FEATURES

- Multiple pockets: practical and super functional.
- A workwear wardrobe essential, thick and hard-wearing.
- Made from 100% cotton for optimum comfort.
