DESCRIPTION

Unisex towel woven double-faced from 65% cotton and 35% linen, approximately 135 x 180 cm. The pre-washed fabric gives a natural, textured appearance with a soft, breathable handfeel, suitable for beach, home or leisure use. Fringed ends add an elegant, handcrafted finish while the double-sided weave shows subtle variation in tone and texture.

The flat cut and lack of a visible label make this towel versatile for everyday use or decorative purposes. Its cotton-rich composition ensures easy care and good durability while preserving the linen-cotton tactile effect after repeated washing.

Personalised towel available from one piece with embroidery, perfect for businesses, sports clubs, associations, events or private clients looking for a refined promotional item or gift. Our design studio can vectorise your logo for a precise, discreet marking.
