DESCRIPTION

Unisex towel in a generous size (approx. 120 x 185 cm) woven in a waffle (honeycomb) texture, made from 80% cotton and 20% linen. The product is pre-washed for a soft, textured feel and features fringed ends plus a contrasting side band for a neat, graphic finish. This one-size towel works as a throw, beach towel or a stylish home accessory.

The double-sided weave provides structure and comfort; the honeycomb texture enhances absorbency while remaining lightweight. The fine fringes add an artisanal detail and the side band reinforces the edges. Being pre-washed helps retain the tactile quality after laundering.

Personalised towel options include embroidery (embroidery). Suitable for companies, sports clubs, associations, events and private customers, we can retouch and vectorise logos in our graphic studio and include the marking in the quote. Available in 1 colour: Pampa Beige.
