DESCRIPTION

This men's long-sleeve linen polo features a straight cut and a lightweight feel thanks to its 100% linen construction (190 g/m²). It has a V-shaped polo placket without buttons made in the main fabric and a back yoke detail for improved drape and comfort. Linen provides breathable, thermoregulatory properties, making the polo comfortable across seasons.

Practical details include double-stitched hems at the sleeves and body, and side vents with a clean inner binding in the main fabric. Available in several colours such as Navy Blue and Wet Sand and in sizes S to 3XL, the polo balances relaxed style with a smart finish suitable for everyday wear.

This personalised polo can be customised from one piece using embroidery, screen printing transfer, Transfert MSO, DTF printing or flex. Recommended for companies, sports clubs, associations, events and private customers. Our graphic studio can retouch or vectorise your logo for production.
