DESCRIPTION

Men's eco terry polo with a straight cut, made from 80% organic cotton and 20% post-consumer recycled polyester. The terry fabric gives a soft, breathable feel while the V-neck polo placket (buttonless) and shoulder reinforcement improve wearability. Finished with double topstitching at the sleeve hems and bottom for a clean, durable finish. Machine washing as indicated will help maintain the shape.

The short-sleeve design features an integrated V placket in the main fabric, a relaxed straight fit and practical details like a back half-moon. Available in several colours (for example Cool Blue, Light Olive Green, Navy Blue) and sizes S to XXL, it suits everyday wear, leisure or informal work outfits.

Customisation options include DTF printing, transfer (screen transfers), DTF, flex and embroidery. This personalised polo can be ordered from one piece on a wide range of textile and is ideal for companies, sports clubs, associations, events and private customers; our graphic studio can vectorise or refine your logo.
