DESCRIPTION

Women’s linen shirt dress with a relaxed fit and dropped shoulders for comfort. It features a classic collar with stand, a central button placket with pearlescent recycled-plastic buttons, and a lined back yoke with easing pleats. Long sleeves finish with a cuff and a capucin-style slit with buttons, while side slits add mobility. The garment is garment-washed after assembly, so slight colour variation between shades can occur.

Practical details include a simple top-stitched hem and tidy seams for lasting shape. Available in several colourways such as Organic Khaki and White, and in sizes XS to XL, the lightweight, breathable linen is well suited to everyday wear, events or hospitality roles.

This dress can be personalised as a personalised dress from one piece and is ideal for companies, sports clubs, associations, schools and private clients. Marking options: screen print transfer, MSO transfer, DTF printing and flex. Our design studio can retouch or vectorise your logo before production.

KEY FEATURES

- Sustainable, thermoregulating and lightweight fabric.
