DESCRIPTION

Child shirt in a straight cut, available for ages 4/6 to 10/12. Woven from 100% linen, the fabric is lightweight, breathable and thermoregulating, making it comfortable in warm conditions. The shirt features a sewn-on button placket with mother-of-pearl effect buttons made from recycled plastic, and a lined back yoke for improved structure. The garment is washed after assembly, so shades may vary between items.

Practical details include a chevron inner neck tape, rounded capucin cuffs with button fastening, side seams, and a simple hem with topstitching plus a double topstitched sleeve underside for durability. It comes in several colours — for example Navy Blue and White — and in four children's sizes.

This personalised shirt can be ordered from one piece for companies, clubs, associations, schools and individuals. Personalisation options include embroidery, screen printing, transfer, DTF printing and flex; our graphic studio can vectorise or retouch your logo before production.
