DESCRIPTION

Mens shirt in a straight cut made from 100% linen, offering a lightweight, thermoregulatory feel for a smart-casual look. The shirt features a collar with stand, a central button placket and long sleeves with buttoned cuffs and a cuff split. The knit-like linen appearance and simple topstitched hem keep the silhouette clean; follow linen care instructions. Available in several colours including Linen Sand, Navy Blue and Organic Khaki, in sizes S to 3XL.

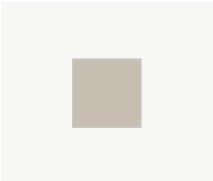

The back incorporates a yoke and the contrasting pearlescent-effect buttons (made from recycled plastic) add a refined touch. The straight fit works well worn over trousers or a T-shirt for both corporate and casual settings. Visible stitching at the hem and cuffs contributes to a neat finish in everyday use.

This personalised shirt can be customised from one piece via our in-house design studio. Available decoration techniques: screen print transfer, MSO transfer, DTF printing, flex and embroidery. Recommended for companies, sports clubs, associations, events and private customers.
