## DESCRIPTION

Women’s linen blouse with a relaxed fit, offered in several colours (Organic Khaki, White). It features dropped shoulders and a V-neck with a stitched facing; the woven linen is breathable and thermoregulating, making it comfortable for everyday wear or layering. Sizes range from XS to XL. Garment is washed after assembly, so colour shades may vary slightly between options.

Long sleeves show gathers at the shoulder and gathered cuffs with a capucin placket and recycled plastic button; the blouse has a gently curved hem for ease of movement and a natural linen drape. Care instructions for linen should be followed to maintain the fabric.

This personalised blouse can be customised from a single piece and suits companies, sports clubs, associations, events and private customers. Personalisation techniques available include embroidery, screen print transfer, MSO transfer, DTF printing and flex (flocking). Our artwork studio can retouch or vectorise your logo prior to production.
