DESCRIPTION

Men's linen suit jacket with a straight, slightly tailored cut designed for a natural, breathable drape. Made from 100% linen, the jacket has a deconstructed look with a notched lapel and two horn-effect front buttons. It features two patch pockets set as welted tubes and a piped chest pocket on the left, with lined sleeves; the garment is garment-washed after assembly to achieve a distinctive washed finish. Available in several colours including Washed Linen Brown, Washed Linen Sand and Washed Navy Blue, in sizes 48 FR to 58 FR.

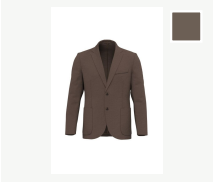

Practical details include front darts and side panels for a neater silhouette, faux sleeve vents with decorative buttons, centre-back seam and two rear vents for ease of movement. Interior work is tidy with a front facing and bias-bound seams, plus two piped internal pockets and a hanging loop.

Personalise this jacket for companies, sports clubs, associations, events or individuals — available marking techniques: DTF printing, transfer, flex and embroidery. This personalised suit can be personalised from one piece and our studio can vectorise or retouch your logo.
