DESCRIPTION

Men's shorts made from recycled polyester in a textured seersucker weave with quick-drying properties, suitable for beachwear and summer activities. They have a straight cut with an inner mesh lining for comfort and support; available in multiple colours (White / Iron Grey Stripes, White / Navy Blue Stripes) and sizes S to 3XL. Easy-care fabric ensures fast washing and drying and reliable performance for both water-related and everyday use.

The design features an elasticated waistband with a round drawcord and metal eyelets, two piped side pockets and a patch back pocket with a metal eyelet. Double topstitching on side seams and the crotch delivers durable seams and a clean finish, while a simple hem keeps the silhouette neat.

These personalised shorts can be customised from one piece and suit companies, sports clubs, associations and private customers. Marking options include embroidery, flex, DTF printing, screen printing and transfer prints or embroidered badges. Our studio can vectorise or refine your logo before production.
