DESCRIPTION

This men's linen trousers feature a straight, lightweight cut designed for warmer seasons. Made from 100% linen (210 g/m²), they deliver natural drape and breathability. The waistband includes belt loops and a contrast inner facing, the fly closes with a recycled metal zip and a marbled-effect recycled plastic button. Available in several colours such as Linen Sand, Navy Blue and White, sizes range from 36 FR to 50 FR.

Practical details include two front pockets with topstitching and two piped back pockets with button closure. Reinforced stitching at the crotch and a single-stitched hem provide tidy finishing and improved durability. The garment is garment-washed after assembly, so shades may vary slightly between pieces.

These trousers can be personalised from one piece using techniques like embroidery, DTF printing, flex, screen printing, transfer prints or embroidered patches — ideal for companies, sports clubs, associations, schools and individuals looking for personalised trousers. Graphic studio services are available to vectorise or refine your logo; free quote within 24 hours on weekdays, collection at our Evere workshop or delivery in Belgium, France and Luxembourg.
