DESCRIPTION

Men's linen shorts designed for warm weather: a straight cut sitting above the knee, waistband with belt loops and a buttoned fly, two front pockets and two piped back pockets. Linen gives a lightweight, thermoregulatory feel, while chevron pocket linings and reinforced topstitching increase durability. The hem is finished with a simple stitched turn-up and the garment is washed after assembly.

Offered in several colours including Linen Sand, Navy Blue and White, and available in sizes 36 FR to 50 FR. Practical details include a contrast inner waistband, marbled-effect recycled plastic buttons and a recycled metal zip, combining neat finishings with breathable comfort.

These personalised shorts can be ordered from one piece and are suitable for companies, sports clubs, associations and private customers for staff wear, events or collections. Customisation techniques available: embroidery, DTF printing, flex, screen printing and transfers. Our artwork studio can retouch or vectorise your logo.
