DESCRIPTION

Men's linen trousers with a loose cut, offering a smart-casual appearance. Made from 100% linen with a striped weave, the fabric is lightweight and thermoregulating for seasonal comfort. The design features a stitched waistband with belt loops and a flat drawcord (which can be tucked inside), a metal zip fly and a contrasting horn-effect button. Available in sizes S to 3XL and several colourways, including Navy Blue Chambray / White Strip, White / Navy Blue Stripes and Ivory / Wet Sand Stripes.

Functional details include two side pockets, a right-hand coin pocket at wearer's side, and two piped back pockets with buttons. Reinforced topstitching at the front and back crotch increases durability, while an internal bias at the back crotch provides a clean finish. The leg hems are finished with a simple topstitched hem.

This personalised trousers can be customised from one piece on a wide range of textile at YourVisualHere. We offer embroidery, DTF printing, flex, screen printing and transfer printing as marking techniques. Suitable for companies, sports clubs, associations, events and private customers seeking a neat, customised linen trouser.
