DESCRIPTION

Women’s linen shorts with a relaxed fit, designed for warm-weather comfort. Woven from lightweight, thermoregulating linen, they offer breathable wear and a natural drape. The elasticated waistband with a flat drawcord in the main fabric provides adjustable fit without discomfort, while side pockets add useful storage. Available in several colours, for example Ivory and Organic Khaki, and in sizes XS to XL.

Details include visible topstitching on the waistband and a simple hem with topstitch at the leg openings. Reinforcement stitching at the front and back crotch improves durability. The garment is garment-washed after construction, so shades may vary slightly from one item to another.

These shorts can be personalised from one piece and are suitable for companies, sports clubs, associations and private customers seeking a personalised short. We offer customisation by embroidery, DTF printing, flex, screen printing, screen-print transfers (single-colour and multicolour) or embroidered badges; our design studio can retouch or vectorise your logo.

KEY FEATURES

- Sustainable, thermoregulating and lightweight fabric
- Fashionable and hard-wearing

COLOURS (2)
