DESCRIPTION

Men's linen trousers with a straight cut, offering lightweight comfort and natural thermoregulation from 100% linen. Available in several colourways including Washed Navy Blue, Washed Organic Khaki and Washed White, sizes run from 38 FR to 50 FR. The woven fabric has a washed appearance and the garment is piece-dyed after assembly, giving each item subtle variations.

The waistband is topstitched with a flat drawcord in matching fabric, plus belt loops at front and back and a fly with button fastening. Two piped side pockets and a piped back pocket, with a small coin pocket at the right hip, provide practical storage; reinforced crotch stitching adds durability. The hem is simply topstitched. Note that the garment may bleed slightly if it comes into contact with light-coloured surfaces or clothing.

These trousers can be personalised from 1 piece and suit companies, sports clubs, associations and private customers. We offer embroidery, DTF printing, flex, screen printing, transfer printing, embroidered patches and pad printing; our studio can retouch or vectorise your logo for production.
