DESCRIPTION

This men's corduroy trousers feature a straight cut and refined details for comfortable everyday wear. Made primarily from organic cotton with a touch of recycled elastane, the fabric offers slight stretch and the warm, textured feel typical of corduroy. The waistband includes elasticated side inserts for extra comfort, a fly with press buttons and a concealed recycled-metal zip, and belt loops at front and back. Available in several colours and sizes from 38 FR to 50 FR.

Practical details include two side pockets with topstitching and two piped back pockets with ribbed stitching. Reinforced topstitching at the front and back rise and a single topstitch at the crotch improve durability; the inner waistband is finished with a tone-on-tone bias. The garment is washed after assembly, which may cause slight colour variations between pieces.

Suited to companies, sports clubs, associations, schools and private customers, this item can be personalised from a single piece and is ideal as a personalised trousers. Available marking techniques: embroidery, DTF printing, flex, screen printing, transfer and embroidered patches. Our studio can vectorise or retouch your logo for production.
