DESCRIPTION

Unisex leather belt available in several colours (including Cocoa and Cognac) and three sizes (S to L). Its clean cut suits daily and professional wear: a solid leather strap with contrasting topstitching provides structure and neat finishing, while the metal pin buckle ensures a secure closure. Leather care with appropriate products keeps the belt in good condition.

The rounded tip and debossed logo give a discreet, refined look. Visible stitching reinforces high-stress areas and extends the belt's lifespan. The belt is adjustable via multiple holes to achieve the preferred fit.

This belt can be personalised from one piece, making it suitable for companies, sports clubs, associations, events and private customers looking for branded accessories. Available marking techniques: embroidery, DTF printing, flex, screen printing, transfer printing, embroidered patches, pad printing and digital printing on objects. Our graphic studio can retouch or vectorise your logo for optimal results.
