DESCRIPTION

The Kennebec River crew-neck T-shirt is made from 100% cotton with a regular fit and short sleeves, designed for everyday wear and a variety of activities. It provides a comfortable, natural feel and is easy to care for with standard machine washing as per the manufacturer's guidance. It comes in several colours—for example Black, Dark Sapphire and Vintage White—and is available in sizes S to XXL.

The straight cut, ribbed neckline and classic sleeves create a versatile silhouette that works alone or layered. Clean finishes keep the garment suitable for a chest or front print without affecting the drape of the fabric.

This personalised T-shirt can be customised from one piece and accepts multiple marking methods: screen-print transfer, MSO transfer, DTF printing and flex. Well suited to companies, sports clubs, associations, schools, events and private customers; our studio can also retouch or vectorise your logo.
