## DESCRIPTION

This unisex sling bag is made from 100% recycled polyester, offering a lightweight, structured carry option for everyday use. It features a large zippered main compartment and a front zip pocket for quick-access items. The adjustable strap lets you wear it at the waist or across the chest, while visible trims such as leather-look zipper pulls and a stitched badge add practical detail without bulk. Care is straightforward — hand wash recommended depending on wear.

Well-constructed seams and a wide opening on the main compartment make loading and accessing contents easy. One size fits all; available in several colours including Black and Dark Wheat Boot.

Practical for businesses, sports clubs, associations and individuals, this personalised sling bag can be customised using screen printing transfers, MSO transfer, DTF printing or flex (heat transfer vinyl). It can be personalised from one piece; our graphic studio can retouch or vectorise your logo. Free quote within 24 hours on weekdays.
