DESCRIPTION

One-size bath towel in 100% cotton, designed for everyday comfort. The fabric provides a soft touch and high absorbency; chevron-style borders on both ends and a hanging loop give a neat finish and practical storage. This personalised towel can be ordered from a single piece and suits individuals as well as organisations (companies, sports clubs, associations, schools).

The dense weave ensures lasting performance wash after wash. Chevron trims frame the towel and the loop makes hanging easy after use. Available in several colour options (White, Black, Grey) in one standard size; machine washing according to care instructions preserves softness and absorbency.

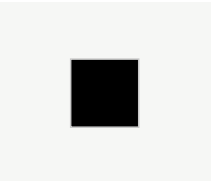

Personalisation by embroidery is available — ideal to add a logo or name on a personalised towel for hotels, spas, sports teams, corporate gifts or events. Our design studio can vectorise your logo before production.
