DESCRIPTION

Unisex microfibre towel in 100% polyester, One Size, designed for sports and travel. Lightweight and compact, it combines strong absorbency with fast-drying performance while remaining easy to fold and carry. The fabric's tight structure ensures durability with regular use and simple care.

Neat hemmed edges prevent fraying and the dense microfibre texture maintains absorbency over time. Its universal size makes it suitable for gym sessions, pool use or outdoor activities. Available in several colours, for example Navy and White.

This towel can be personalised from a single piece and is ideal as a personalised towel for companies, sports clubs, associations, schools and private customers. Personalisation is carried out by embroidery (embroidery) and our design studio can retouch or vectorise your logo before marking.
