DESCRIPTION

Microfibre golf towel, unisex, designed for use on the course. The rectangular 40 x 55 cm towel is made from polyester microfibre that offers strong absorbency and quick drying. It features a grosgrain ribbon with a metal eyelet and a carabiner clip for easy attachment, and an overlock hem for tidy edges. Available in several colours including Black, Bright Royal and White.

The photo shows the towel clipped to a golf bag using the carabiner; this makes it easy to attach to a handle or strap, and the one-size design keeps it compact yet practical. The fine microfibre surface is suited for wiping clubs and hands without taking up space.

This personalised towel can be customised from one piece by embroidery, and our studio can retouch or vectorise your logo if needed. Suitable for businesses, sports clubs, associations, events and private customers — a useful branded item for team kits and promotional use.
