DESCRIPTION

Women's two-piece pyjama made from 100% recycled polyester (175 g/m²), designed for comfortable nights and relaxed moments at home. The set includes a long-sleeve shirt and straight-leg trousers with an elasticated waistband for a soft, easy fit. The synthetic fabric stays gentle to the touch and dries quickly, making it a practical and comfortable choice. Available in several colours and sizes XS to 3XL.

Details include a notched collar with button-through front and DTM mother-of-pearl style buttons, contrast piping on the collar, front, sleeves and hem, a falling button placket and a neck tape at the back for neat finishing. The trousers feature an elastic waist with a functional drawcord for secure adjustment. These construction elements contribute to wearability and longevity.

This item can be ordered and personalised from one piece and fits companies, sports clubs, associations and private customers who want branded nightwear. Marking options: personalised pyjama using screen printing transfers, DTF printing and flex (heat transfer vinyl).
