DESCRIPTION

100% ring-spun cotton towel in One Size, designed for everyday use. The looped terry surface provides a soft touch and strong absorbency, supported by a 550 g/m² weight. Both edges feature chevron-style trims and a hanging loop is included for convenient storage; machine washable for easy care.

The flat cut and neat hems ensure the towel keeps its shape after washing and is simple to place on a towel rail or shelf. The visible texture in the photo highlights the density of the loops and the consistent finishing along the borders.

This personalised towel can be embroidered (embroidery / borduren) and is available from a single piece, making it suitable for companies, sports clubs, associations, hotels, events or private customers. Our studio can vectorise and adapt your logo for clean embroidery results.
