DESCRIPTION

Designed for women in one size, this terry bandeau combines softness and functionality. The cotton/polyester blend gives a comfortable feel and reliable shape, suitable for beauty routines or light exercise. Its wide design covers the forehead and keeps hair back discreetly while remaining comfortable to wear; machine washing is straightforward following standard care for cotton/polyester mixes.

The bandeau features neat stitching and an adjustable back closure with hook-and-loop fastening for a secure, custom fit without losing form. The construction resists flattening and preserves elasticity over repeated wear, making it a practical choice for regular use.

Customisable from a single piece, this item is ideal as a personalised bandeau using embroidery. We provide embroidery for companies, sports clubs, associations, events and private customers. Available in 1 colour (White).
