DESCRIPTION

Hooded baby towel in one size, designed for delicate skin. Made from combed cotton with a soft, absorbent terry finish, it wraps and dries baby gently after bath time. The towel features a contrasting piped edge that strengthens the seams and gives a neat look. Machine care as per manufacturer's instructions.

The hood helps to dry the head quickly and makes it easy to swaddle baby straight from the bath. The tidy finishes and robust weave ensure the towel endures repeated washes. It is available in several colours, for example White/Blue and White/Pale Pink, and supplied in one size.

This personalised towel can be finished with embroidery to add a name, club emblem or design. Ideal for creches, clubs, associations, events and private buyers; it can be personalised from a single piece and our graphic studio can retouch or vectorise logos. Personalised towel produced with durable embroidery for a refined result.
