DESCRIPTION

One-size sports towel made from 100% combed ring-spun cotton, available in several colours such as White and Navy. The looped terry surface delivers a soft feel and strong absorbency, practical for post-workout use or everyday needs. A hanging loop adds convenience for storage and transport.

Details include a woven border that helps preserve shape through repeated washing; the Oeko-Tex marking indicates it is free from harmful substances. The towel balances density and manageability, making it suitable for regular use while remaining easy to fold and store.

Order a personalised towel embroidered with your logo, name or monogram — embroidery (embroidery) is available. Ideal for companies, sports clubs, associations, events and private customers; personalisation is possible from one piece and our graphic studio can vectorise or refine your artwork before production.
