DESCRIPTION

Unisex microfibre poncho (100% polyester), designed to be soft and highly absorbent for post-swim or watersport use. The loose, knee-length cut and integrated hood provide warmth and comfort; side slits ensure ease of movement and simple on/off. Wide sleeves and a relaxed drape visible in the photo make it comfortable to wear. The microfibre fabric is easy to care for and dries quickly. This personalised poncho suits clubs, schools and leisure activities.

It features a kangaroo pocket with an internal phone pocket to keep belongings secure and accessible. Neat finishing around the hood and arm openings emphasises practical use and comfort for changing on the beach or at the pool.
