DESCRIPTION

Unisex hair towel in 100% cotton designed to wrap and dry hair quickly and comfortably. The towel's terry loop structure and 400 g/m² weight provide good absorbency and a soft feel against the skin. One size fits most with a tubular shape that wraps easily around the head; a built-in elastic fastening keeps the towel secure without buttons for simple post-shower or beauty-routine use.

The straightforward design is free of pockets or closures and features clean edge finishes for better durability through washes. The terry surface offers efficient moisture uptake and easy care similar to a standard cotton towel.

This personalised towel is available for embroidery (embroidery) and suits companies, salons, sports clubs, associations and events, as well as personal gifts; it can be customised from a single piece.
