DESCRIPTION

Women's high-waist, seamless-style shorts designed for sport, made from a nylon/polyester/elastane blend (60/32/8) that delivers stretch, shaping and comfort. The very short cut and high waist provide support and freedom of movement for fitness, yoga or running. Features include invisible seams and a detachable label; available in several colours such as Dark Grey Marl, Purple Marl and Black, and in three sizes from L/XL to XXS/XS.

The seamless construction reduces chafing and gives a clean finish while the elastic fabric follows the body for unrestricted movement during exercise. The close-fitting cut offers a sculpting effect and can be layered under other garments when needed.

These personalised shorts can be customised from 1 piece — suitable for clubs, companies, associations, events and private customers. Personalisation techniques offered: embroidery, DTF printing, flex, screen printing, transfer prints, embroidered badges and pad printing. Our graphic studio can retouch or vectorise your logo; free quote within 24 hours on weekdays, standard production and options for collection at our Evere workshop or delivery in Belgium, France and Luxembourg.
