DESCRIPTION

Children's high-waisted, form-fitting sports shorts designed for active use. The nylon-and-elastane blend gives stretch and support while the seamless construction increases comfort during movement. Available in 1 colour (Black) and sizes 5/6 to 11/13 years, the shorts are easy to wash and dry quickly thanks to their smooth technical fabric.

The design features a smooth elastic waistband and clean hems that prevent chafing, plus a removable label for easy use in clubs or schools. The slim, mid-thigh length provides discreet coverage and layers well under other garments.

These personalised shorts can be customised from one piece using embroidery, DTF printing, flex, screen printing, transfer prints or pad printing to add logos or names on front, side or back. Ideal for companies, sports clubs, associations, school events and private orders.
