DESCRIPTION

High-waist women’s legging designed for sport and everyday wear. Made from 86% polyester and 14% elastane, the stretch fabric offers a close, breathable fit that follows movement. The wide waistband provides secure support without constriction and the model is available in three size ranges (XXS/XS to L/XL). A left-side phone pocket keeps essentials accessible, and the detachable label makes re-labelling straightforward.

The garment shows flat seams and a smooth, slightly shiny finish that enhances the streamlined look and durability under repeated use. The high waist ensures stable support during workouts. Available in 1 colour (Black) and multiple sizes suited to active use.

This product is available as a personalised legging from one piece upwards for businesses, sports clubs, associations, events and private customers. Customisation techniques offered include embroidery, DTF printing, flex, screen printing, transfer prints and embroidered badges. Our design studio can vectorise or adapt your logo.
