DESCRIPTION

High-waist women's shorts designed for sport and everyday wear. This shorts/bermuda in polyester with elastane provides a close, comfortable fit with no front seams for better freedom of movement. It features an elasticated waistband and a practical side pocket for a phone. Available in several colours (e.g. Black) and sizes XXS/XS to L/XL.

Practical details include double-stitched hems and side seams that improve durability without restricting movement. The stretch fabric hugs the body for easy wear and a smooth look that is low-maintenance and suited to frequent use during training or club activities.

These personalised shorts can be customised from one piece using embroidery, DTF printing, flex, screen printing, transfer prints (single- and multi-colour), embroidered patches, pad/tampo printing, as well as screen printing and digital printing on objects for complementary items. Ideal for companies, sports clubs, associations, events and private customers; our studio can retouch or vectorise your logo.
