DESCRIPTION

This personalised V-neck for women pairs an oversized fit with performance fabrics: 90% polyester and 10% elastane for a lightweight, stretchable sports top. It features an adjustable drawcord hem for a tailored fit and raglan sleeves to maximise freedom of movement. Available in 1 colour (Black) and sizes XS to XL.

Mesh panels on the back and sleeves enhance airflow during activity, while the ribbed neckline provides structure and comfort. The drawcord hem helps secure the top during exercise. Made from easy-care polyester, it is suitable for regular use in training and club environments.

We can personalise this V-neck using screen printing transfer, transfer MSO, DTF printing or flex. Recommended for companies, sports clubs, associations, schools, youth movements and private customers — customisable from one piece. Our studio can retouch or vectorise your logo before production.
