DESCRIPTION

Women's legging designed for high-intensity sport with a supportive high waist and wide waistband including an inner pocket. Made from a stretchy, opaque blend (87% polyester, 13% elastane), it features fine mesh panels on the front and back thighs and laser-cut details at the calves. Detachable label allows easy re-labelling. Sizes: XS to XXL.

The cut is intended to stay in place during squats and dynamic movement; mesh inserts and perforations improve breathability while adding a contemporary look. The garment shows clean finishes and a smooth hand-feel suitable for regular use and easy care.

This personalised legging can be personalised from one piece for companies, sports clubs, associations, events and private customers. Available marking techniques include embroidery, DTF printing, flex and screen printing and transfer. Our graphic studio can retouch or vectorise your logo; free quote within 24 hours on weekdays, collection from our Evere workshop or delivery in Belgium, France and Luxembourg.
