DESCRIPTION

Men's bermuda/short in polyester microfibre (115 g/m²) with a straight cut and elasticated waistband with drawcord for an adjustable fit. Designed for sports use, it is lightweight and breathable and can double as swimwear thanks to its mesh lining. Available in several colours including Black, Navy and Red, and in sizes S to XXL.

The shorts feature practical side pockets and a rear pocket with Velcro closure and a drain eyelet for water evacuation. Double-stitched finishes improve durability in active use, while the elastic waist ensures comfortable support. The polyester fabric makes care simple after training sessions or swimming.

Customisable from a single item, these personalised shorts can be decorated by embroidery, DTF printing, flex, screen printing, and transfer printing (one-colour and multicolour), or fitted with embroidered badges. Suitable for businesses, sports clubs, associations, schools, events and private customers seeking a versatile, branded short.
