DESCRIPTION

A unisex long-handled tote bag made from durable cotton with a flat cut and wide opening for everyday use. The 67 cm handles allow shoulder or hand carrying. The fabric offers a smooth printing surface while remaining flexible in wear; care is straightforward with a cold or gentle wash cycle to preserve the material.

Practical finishing with reinforced stitching at handle attachment points for improved strength. The tote is available in several colours (for example Natural, Black, Bright Red) and one size, suitable for promotional use, shopping or events.

This personalised tote bag can be marked by screen print transfer, MSO transfer, DTF printing or flex. Personalisation is possible from one piece for companies, sports clubs, associations, schools, events and private customers — our artwork studio can vectorise or retouch your logo.
