DESCRIPTION

This cotton canvas shopping tote is made from 100% cotton for a sturdy, smooth surface that suits printing very well. Its rectangular shape with a slightly constructed base provides ample capacity for shopping or everyday items. The long handles (58 cm) let it be carried by hand or over the shoulder for comfortable, practical use. The fabric has a thick appearance and holds its shape under regular use.

The photo shows reinforced top stitching and firmly stitched handles, indicating reliable load-bearing. The tote is available in several colours, for example Natural and Black, and comes in one size. Its durable canvas finish makes it appropriate for repeated promotional or daily use.

You can order this item as a personalised shopping tote from a single piece. Suitable printing options include screen printing transfer, MSO transfer, DTF printing and flex. Recommended for companies, sports clubs, associations, events and private customers seeking a useful, visible promotional item.
