DESCRIPTION

Unisex cotton gym bag with a straightforward, functional cut in one size. Made from 100% cotton (140 g/m²), it provides a smooth, sturdy surface that feels natural to the touch. The drawstring closure allows quick opening and closing, while the cords double as shoulder straps for easy carry. Suitable for standard machine washing for cotton items.

The bag offers a single large compartment with no additional pockets or fastenings, giving a clean, practical design for sports kit, school use or event giveaways. Reinforced stitching and eyelets at the cord entry points help maintain durability during regular use.

This personalised gym bag can be ordered from a single piece and customised using screen printing, transfer, DTF printing or flex. Available in several colours (for example Natural, French Navy, Bright Red) and adapted to companies, sports clubs, associations, schools and private customers looking for a natural, usable promotional item.
