DESCRIPTION

This unisex shopping (totebag) is made from 100% cotton and designed for everyday use. The sturdy cotton fabric presents a smooth surface ideal for printing. With long handles of 58 cm it can be carried by hand or over the shoulder, and the generous capacity makes it suitable for shopping, paperwork or activity equipment.

The bag shows a straightforward cut with visible seam finishes that provide a practical, durable feel; the wide open top (no closure) simplifies loading and access. Care is straightforward—follow the manufacturer's washing instructions to preserve the fabric and any print.

This personalised shopping (totebag) can be custom printed from one piece using screen printing transfers, MSO transfer, DTF printing or flex. It suits companies, sports clubs, associations, schools, events and individuals. Our graphic studio can retouch or vectorise your logo before production.
